

SOUL Specification text

Editable wording for project schedules

Supply and installation of an Evoluta SOUL modular outdoor kitchen, overall dimensions [project length] × [confirmed depth] × [confirmed height], comprising an EvolutaCONCRETE® GRC worktop, stainless steel structure and cabinetry with EvolutaGLASS fronts. Composition based on 60, 80 and 90 cm cabinet widths, starting from a nominal total length of 240 cm. Overall dimensions and arrangement according to drawing [reference]. Worktop and front finishes selected from the current manufacturer palette before production. Prepare for separately specified equipment; confirm cutouts, ventilation and utility positions by the approved project drawing. Appliances, sink, faucet, utility preparation and final connections are separate items unless explicitly included. Delivery, unloading and assembly scope must be stated in the quotation. Unit: complete assembly. Quantity: [].

Before issue

Replace bracketed fields and confirm the configuration, final dimensions, finish codes, equipment and service scope with Roble Studio. Imperial conversions are indicative; use the confirmed dimensioned project drawing.
